Re: Parkland College  
Presentation Model

Dear Dr. Staerkel:

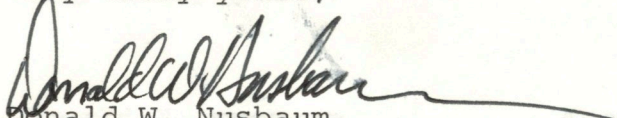

In response to our meeting January 27th, we are well into early construction phases of the detailed presentation model at 1/16"=1' scale of Parkland College.

The model is being constructed in accordance with "Item I" of our proposal to Ernest J. Kump and Associates dated October 24, 1969 (copy enclosed). The price for the model, as broken down in our proposal, is \$10,649.00 plus \$250.00 for stone delineation on the walks, or \$10,899.00 total plus freight. Our terms are net 15 days from receipt of invoice.

A copy of this letter has also been enclosed for you to sign and return as formal authorization for the model. Your purchase order format may be substituted if desired.

We look forward to providing you with an exciting display model of Parkland College and will keep you posted of our progress either directly or through Ernest J. Kump's office.

Very truly yours,

  
Donald W. Nusbaum
