Mystery!

Murder by Natural Causes

by Tim Kelly

Director: Abigail Manekin

Arthur Sinclair is a successful, world-famous mentalist. His beautiful wife Allison, with the aid of a struggling young actor, plots his murder for the commonest of all motives, greed. Her foolproof plan is so skillfully inventive it cannot possibly misfire—or can it? After all, Arthur (as everyone knows) has psychic gifts. But does he? Filled with twists and turns, this wildly clever and entertaining thriller will keep the audience on the edge of their seats! *Recommended for teens and up.*
