Sunset

of his golden fires. How beautiful all How calm, how still!

How beautiful all How calm, how still!

Yon star that trembles on the hill yon crescent moon

Yon star yon star yon crescent moon that raises high

Yon star yon star yon crescent moon that raises high

Her beauty horns up on the sky bending bending down a loving

Seem bending bending down un-

Seem bending bending down un-

Seem bending bending down a loving
glance from unclouded skies, On the green Earth that far away

in solemn beauty lies; And like sweet friendship affliction's hour

in solemn beauty lies in affliction's hour

Grow brighter still the more the shadow

Grow brighter still the more the shadow

Grow brighter still the more the shadow
